“Dancing Queen” By Abba

You can dance, you can jive, having the time
of your life
See that girl, watch that scene, dig in the
Dancing Queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music, getting in
the swing
You come in to look for a King
Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen, young and
sweet, only seventeen
Dancing Queen, feel the beat from the
tambourine

You can dance, you can jive, having the time
of your life
See that girl, watch that scene, dig in the
Dancing Queen

You're a teaser, you turn them on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen, young and
sweet, only seventeen
Dancing Queen, feel the beat from the
tambourine
You can dance, you can jive, having the time
of your life
See that girl, watch that scene, dig in the
Dancing Queen

“Mamma Mia” By Abba

I've been cheated by you since I don't know
when
So I made up my mind,
It must come to an end
Look at me now, will I ever learn?
I don't know how
But I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything,
O-o-o-oh

Mamma mia, here I go again
My, my, how can I resist you?
Mamma mia, does it show again?
My, my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know,
My, my, I could never let you go.

I've been angry and sad about the things
that you do
I can't count all the times that I've told you
we're through
And when you go, when you slam the door
I think you know that you won't be away too

long
You know that I'm not that strong.
Just one look and I can hear a bell ring
One more look and I forget everything,
O-o-o-oh

Mamma mia, here I go again
My, my, how can I resist you?
Mamma mia, does it show again?
My, my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, even if I say
Bye, bye, leave me now or never
Mamma mia, it's a game we play
Bye, bye doesn't mean forever

Mamma mia, here I go again
My, my, how can I resist you?
Mamma mia, does it show again?
My, my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go
Mamma mia, now I really know
My, my, I could never let you go
My, my, I could never let you go
